

Cold/Hot Packs

- **Disposable Packs** can be squeezed to instantly release a consistent cold or hot temperature for an extended period of time.
- **Reusable Packs** can be placed in the freezer, microwave or boiling water to provide soothing hot and cold treatments. Each pack provides up to one hour of therapy per use.
- **Gentle Touch™ Instant Cold and Warm Packs** are designed to be placed directly against the skin without the need for a wrap or towel. These packs are ideal for children or adults with sensitive skin.
