Cylinder Management

Simply fill out basic information such as name, address, cylinder number, etc., and you will be able to view a report.

The image displays four screenshots of the Matheson Tri-Gas website's cylinder management interface, each with a red arrow pointing to a specific report title:

- Onsite Cylinder Inventory:** Shows a form with a "Purchase Order:" field and a "Report Format:" dropdown set to "HTML".
- Expiration Notification Request:** Shows a "Date Range:" field with dates 12/9/2005 and 1/8/2006, and a "Report Format:" dropdown set to "HTML".
- Cylinder Movement History:** Shows a "Date Range:" field with dates 12/8/2004 and 12/9/2005, a "Movement Type:" dropdown set to "Shipment", and an "MTG Part Number:" field.
- Cylinder Pickup Request:** Shows a form with sections for "Company & Contact Information" (including fields for Company Name, Address, City, State, Zip, Contact Person, Phone No., Email, and Alt Contact Person) and "Pickup Information" (including Method, Special Requirements, and Product Description).
