

Values

T – Teamwork: work together in the best interest of the greater organization to deliver the business imperatives of safety, quality and financial performance; communicate effectively and timely

I – Integrity: treat fellow employees and Customers with honesty and fairness; deliver on commitments; comply with the spirit and letter of Company policies and government regulations

D – Drive: pursue business goals relentlessly without compromising safety, quality or ethical norms; set aggressive targets and meet them

E – Empowerment: give people the training and authority to make decisions and hold them accountable for results; share and embrace the changes in best practice that will result

S – Speed: work with a sense of urgency in decision-making and execution to gain a competitive advantage without compromising safety, quality, fiscal responsibility or ethical norms
